Transfer of Library

25X1X8 [redacted]

1. Under dates of 10 and 11 March 1947, correspondence was initiated in ICAPE to the Administrator, Federal Works Agency, and to the Director, Bureau of the Budget, respectively, concerning a library which was formerly under the jurisdiction of the Civilian Production Administration.

2. A recent investigation indicates that the library was transferred to the Office of the Housing Expediter by Executive Order.

3. In conversations with representatives of the Office of the Housing Expediter, it has been indicated that CIG may obtain a part of the library. In this connection, we have obtained a list of the reference books which make up that part of the library. Representatives of the Office of the Housing Expediter have requested that CIG indicate the books of reference in which it is interested, and an effort will be made to obtain all or a part of the general subjects with a view to transfer to CIG.

4. Also, you may be interested in knowing that the Office of the Housing Expediter has agreed, on a tentative basis, to transfer to CIG the OPA library in the event that such library is transferred to that office by an Executive Order which is now under consideration.

5. It is suggested that the attached list be referred to the Reference Branch with an indication as to the items of general interest for which this office may negotiate with the Housing Expediter. Your prompt action will be greatly appreciated.
